

1. Connecting in **CONSULTATION MODE**

Note: The encrypted link sent to your institution’s technical coordinator enables users to connect in **CONSULTATION MODE**, without having to enter a user code or password.

Your **institution’s users** can **CONSULT** the OCM site using one of the following options:

Option 1: Direct access via your computer’s desktop

- A. From your **desktop**, click the “OCM” **tab** your technical coordinator installed.
- B. The OCM navigation page will appear.

Option 2: Direct access via your institution’s intranet

- A. From your institution’s **Intranet**, click the “OCM” **tab** your technical coordinator installed.
- B. The OCM navigation page, shown above, will appear.
